How did you hear about the audit program?						

ELIGIBILITY CRITERIA AND INFORMATION:

- The audit report identifies opportunities to improve the performance of your home based on the analysis
- The home energy program may also provide for incentives for up to 50 percent of the costs of qualifying measures with a maximum of \$500 allowed for installing the audit recommendations
- After the audit, be sure to ask for a weatherization rebate application
- You must be a member in good standing with the cooperative to receive an audit
- Include your account number and sign the form
- Audits are available for new or existing homes
- A cooperative representative will contact you for scheduling your audit. The energy audit process can encompass several hours gathering data.
- **Allow at least two (2) hours for the energy audit at your home**

MEMBER SIGNATURE (Certifies that the information is true and accurate to the best of my knowledge. I agree that the cooperative may verify installation at the address listed.)

Return this completed audit request with \$125 to our office or email to jrosier@osagevalley.com.
